North River High School

Mount Solon, Virginia

Foreword

THROUGH THE YEARS since 1930 North River High School has stood as a mark of education in North River District. She had her beginning as the first consolidated school of Augusta County incorporating the areas of Parnassus, Towers, Centerville, and Spring Hill.

During these twenty-nine years it has been her privilege to see many students come and go. Many students have entered her doors of learning as freshmen, have lived hours in her four walls, and have sat at the desks of learning to become a part of her large family of Alumni.

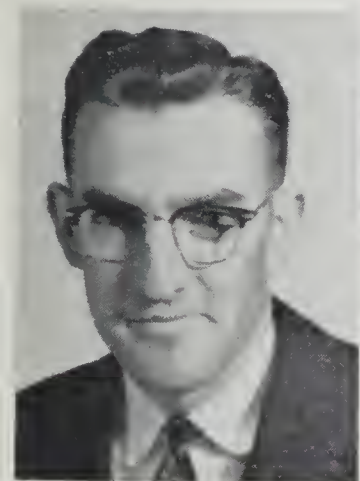

She has rejoiced with those who attained the goal of graduation; she has saddened when there were those who chose to discontinue their pursuit of education.

In recognition of her opportunities THROUGH THE YEARS and on behalf of the cherished memories and lasting friendships of those who have passed through her doors, this 1959 edition of THE SPLASH is presented to recall now and in the future days that become "dim with the mist of years."

The Student Section is a major part of this publication as the exclusive right of previous years. This section consists of members of the senior class and their statistics, pictures of the students and personnel, and the school activities. The Alumni Section, as the special part of this year's SPLASH, consists of students who have graduated from North River since the Class of 1931, including the facts concerning each graduate so far as available.

As we look THROUGH THE YEARS we realize classes may come and classes may go, but memories live in the hearts forever as expressed by the poet, "Time will run back and fetch the age of gold."

Dedication

We dedicate the 1959 SPLASH to the opportunities of service in the field of education.

Many serve in the role of the educator; many serve in the role of the student; many serve in the role of the patron.

Those who well represent these roles of education of North River High School receive special recognition in this dedication for the part they play in the progress of education.

Miss Ella Reeves typifies the role of teacher and has been a member of the faculty since North River's first day. Mr. W. H. Sanger became the first principal; Harmon Brown, the first class president; Mrs. Frank Myers, the first class secretary.

Many have served THROUGH THE YEARS until in this year 1958-59 Mr. Eugene Smith heads the school as principal; Donald Huffer acts as class president with Henrietta Kiracofe as class secretary.

Educational opportunities are reinstated as students become patrons which can be exemplified by the present class secretary, whose mother, Mrs. Henry Kiracofe, once in the role of student also as class secretary, is now among the patrons of the school.

Education is a continuous process; it means opportunities to mankind; it is a means of service to humanity now and in the years to come.

CLASS HISTORY

In the fall of 1955 fifty startled students from Centerville, Parnassus, and Towers entered North River High School to a new way of school life and studying. Our class advisers were: Mr. Norwood Smoak and Mr. Robert May. Our class officers were: President, Carl Hinkle; Vice-President, Lois Byerly; Secretary, Charles Sirk; Treasurer, Polly Howdyshell. At the end of the school year we enjoyed a picnic held at Shenandoah Acres.

School ended and our vacation started. When school opened again, forty-seven students entered as Sophomores. George Randolph and Charles Smith joined our class. Our class sponsors were Mrs. Mary L. Hahn and Mrs. Phyllis W. Smith. Most of the boys and girls entered the sport field.

Another vacation and in the year of 1957-58 we entered our Junior year of school with Mr. J. Raymond Carlton and Mrs. Merle M. Taliaferro as advisers. In the spring of the year we presented our Junior play entitled, "The Custer's Last Stand", which was directed by Mrs. Taliaferro. With our proceeds we entertained the Seniors at Endless Caverns.

September came again and we entered our Senior year with high hopes and ambitions. Our class adviser was Mrs. Wilda W. Wenger. Jerry Vandevander from Franklin, W. Va. joined our class making our class enrollment forty-one. We presented our Senior play entitled, "Grandad Goes Wild", under the direction of Mr. Lee A. Cupp. Our class colors were chosen as Silver and Navy with the Red Rose as our flower.

We, the graduating class of 1959, hope the success that has followed us throughout these last four years will stay with us in any of our undertakings and that we may remember Emerson's quotation, "Hitch your wagon to a star", our class motto.

The School and Alumni are indebted to the work of many people for this year's large and compiled edition of the North River SPLASH. The workers worked diligently and through correspondence, reunions, and special contacts, they sought to secure available class pictures and to gather current data of each of North River's twenty-nine graduating classes. Through the splendid co-operation of the alumni, the SPLASH Alumni Section has been made possible.

In spite of efforts for accuracy, some fallacies are likely to occur, but the workers hope that this is at a minimum and that it will be understandable by the readers.

The workers were assisted by a School Committee - Mr. Eugene Smith, who as Secretary and Treasurer assisted in many helpful ways especially in the capacity of principal since he replaced Mr. Hubert Monger - Chairman, Mr. Lee A. Cupp - Present Chairman, Mrs. Wilda Wenger, Miss Ella Reeves, Mrs. Merle Taliferro; also by Community Committee Personnel - Mr. Hershel Gardner, Mr. E. E. May, and Mrs. Evelyn Taylor.

This unusual accomplishment of the Alumni Section makes the 1958-59 North River SPLASH most unique. Special commendation is expressed to all who have once again expressed loyalty to their Alma Mater.

These pictures tell us a story - the school building (A picture of the building in 1935 and in 1945) and grounds have changed - the styles have changed - the school picnics still exist.

The classes were different in numbers - the smallest class was the Class of 1931 with 23 members - the next in size was the Class of 1951 with 26 members - the largest was the Class of 1956 with 59 members. Six class representatives received replies from every member of the class.

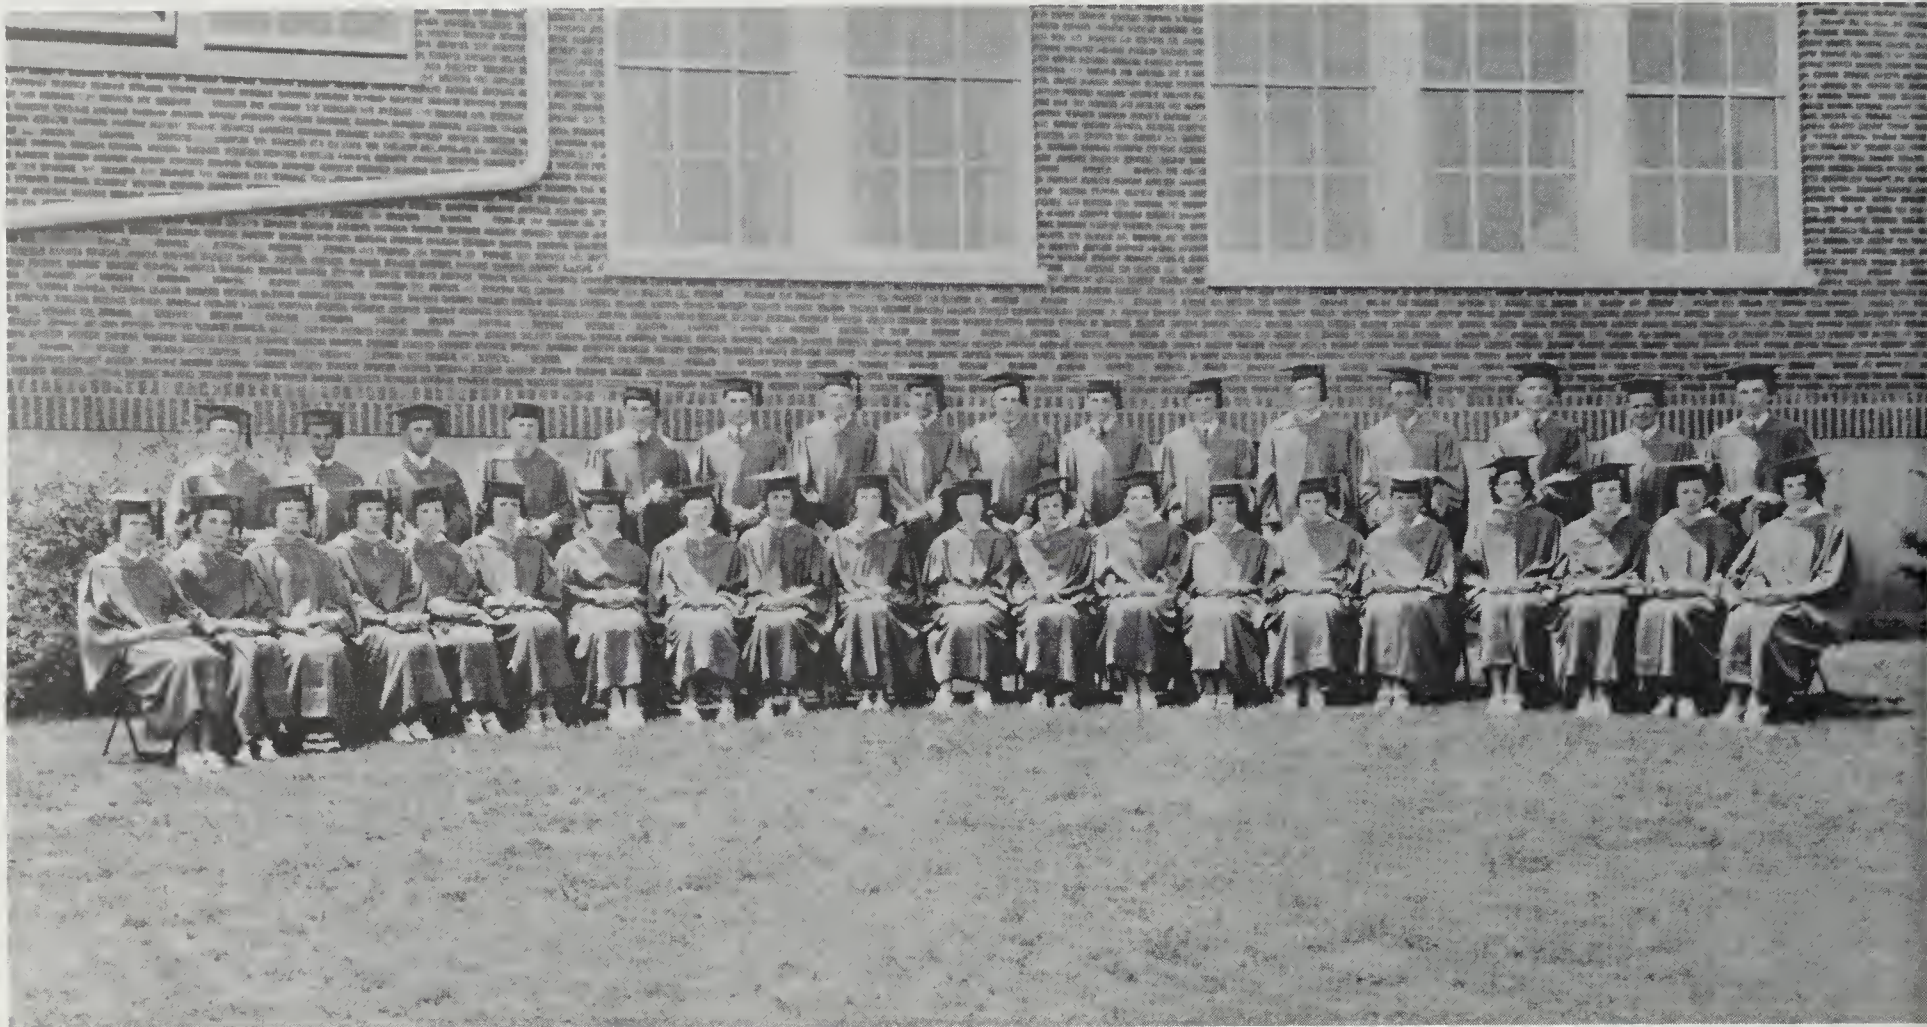

The total number of graduates is around 2000 students - to be more nearly correct there are 1090 students.

The sports are about the same as they were - the basketball players had winning years with four district titles - the baseball nine had wins with fourteen district titles and one state title - the track team members had wins with two district titles and individuals wins from year to year.

The clubs have changed but the training for specific duties have been the same throughout the years. Other activities such as the class plays are still the crowning event of the junior and senior years.

CONTRIBUTORS TO ANNUAL FUND:

Mr. A. Brooks Booker

Senator Curry Carter

Miss Ruth Thompson

Mr. Lee A. Cupp

IN ACKNOWLEDGEMENT

The 1959 edition of the SPLASH represents the tireless effort and cooperation of many people. We gratefully acknowledge their help in compiling this volume. Much credit goes to Miss Ella Reeves and Mrs. Wilda Wenger for their suggestions, criticisms, and hours of work in compiling the materials. We wish to acknowledge and give credit to the members of both the editorial and business staffs, to the school secretary, Mrs. Jean Michael who worked so willingly in the interest of the Annual.

For services rendered by Mr. William A. Burton, representative of the Inter-Collegiate Press, Delmar Studios, Gitchell's in Harrisonburg, Mr. William Simmons and all student photographers, we express our appreciation.

An important factor in the publication of this book has been the contribution of our advertisers. We are grateful to Mr. Lee A. Cupp for the organization and solicitation of ads. Help us express our gratitude by patronizing our advertisers whenever possible.

And to the many students, faculty members, and friends who have stood by us, encouraged us, and shown an active interest during the preparation of this Special Annual, we most sincerely say, "Thank You!"
